

Privacy Policy

This document "Privacy Policy" (hereinafter referred to as the "Policy") constitutes the rules for the use of data by / specify website owner / (hereinafter "we" and/or the "Administration") of internet users (hereinafter "you" and/or the "User") collected through the website / specify website URL / (hereinafter the "Site").

1. Processed Data

1.1. We do not collect your personal data using the Site.

1.2. All data collected on the Site is provided and accepted in anonymized form (hereinafter referred to as "Anonymous Data").

1.3. Anonymous Data includes the following information that does not allow for your identification:

1.3.1. Information voluntarily provided about yourself using online forms and software modules of the Site, including name, phone number, and/or email address.

1.3.2. Data is transmitted in anonymized form automatically depending on the settings of the software you use.

1.4. The Administration reserves the right to establish requirements regarding the composition of Anonymous Data collected through the use of the Site.

1.5. If specific information is not marked as mandatory, its provision or disclosure is at the discretion of the User. Simultaneously, you give informed consent to allow unrestricted access to such data by a wide range of individuals. This data becomes publicly available from the moment of its provision and/or disclosure in any other form.

1.6. The Administration does not verify the accuracy of the data provided nor whether the User has obtained the necessary consent for its processing in accordance with this Policy, assuming that the User acts in good faith, prudently, and makes all necessary efforts to maintain such information up to date and obtain all necessary consents for its use.

1.7. You acknowledge and accept the possibility of third-party software being used on the Site, through which such parties may receive and transmit the data specified in paragraph 1.3 in anonymized form.

Example! Such third-party software includes visitor statistics collection systems like Google Analytics and Yandex.Metrica.

1.8. The composition and conditions for collecting Anonymous Data using third-party software are determined directly by their owners and may include:

Browser data (type, version, cookies);

Device data and its location;

Operating system data (type, version, screen resolution);

Request data (time, referral source, IP address).

1.9. The Administration is not responsible for how third parties use User's Anonymous Data.

2. Purposes of Data Processing

2.1. The Administration uses data for the following purposes:

2.1.1. Processing incoming requests and communicating with the User;

2.1.2. Providing information services, including sending advertising and informational materials;

2.1.3. Conducting marketing, statistical, and other research;

2.1.4. Targeting advertising materials on the Site.

3. Data Protection Requirements

3.1. Confidentiality is maintained regarding the received data, except in cases where the User has made them publicly available, or when technologies and third-party software used on the Site, or settings of software used by the User, allow for open exchange of data with such parties and/or other participants and users of the Internet.

3.2. To improve operational quality, the Administration may retain log files of actions performed by the User while using the Site for 1 (One) year.

4. Data Transfer

4.1. The Administration is entitled to transfer data to third parties in the following cases:

- The User has consented to such actions, including cases where the User has configured the software settings used, which do not restrict the provision of certain information;
- Transfer is necessary within the framework of the User's use of the Site's functional capabilities;
- The transfer is required by the purposes of data processing;

- In connection with the transfer of the Site to the ownership, use, or property of such a third party;
- Upon request of a court or other authorized governmental body within the established legislative procedure;
- To protect the rights and legitimate interests of the Administration in connection with violations committed by the User.

5. Changes to the Privacy Policy

5.1. This Policy may be amended or terminated by the Administration unilaterally without prior notice to the User. The new version of the Policy comes into effect from the moment it is posted on the Site unless otherwise provided by the new version of the Policy.

5.2. The current version of the Policy is available on the Site at the following address.
